

FINGERPOST COLDHARBOUR CORNER FUNDRAISING

As most of you will be aware sadly sometime between Christmas and New Year the recently restored fingerpost at Coldharbour Corner had one of its fingers ripped off. Due to the nature of the damage it looks like this must have been done deliberately. The Parish Council do not want to leave it in this state, having spent nearly £1,400 on its restoration last year. However, to repair the finger and replace it is going to cost £790. We know that a number of people have indicated that they would be keen to donate towards the work, or holding fundraising events. The Council very much appreciate this and are happy to match fund anything that the Parish itself can raise. We are therefore hoping to raise £395 from donations and fundraising events in order that the work can go ahead.

If anyone wishes to make a donation please send your cheques, made payable to Towednack Parish Council, to the Clerk at 19 Primrose Lane, Goldsithney, Penzance, TR20 9LX. If you are planning on holding a fundraising event please do let the Clerk know so that she can help publicize this on the Parish Council website. We will keep everyone updated on how the fundraising is going.
